Ayurveda: Life, Health and Longevity - Robert Svoboda ...

When we use the word longevity in Ayurveda, we mean something different—life extension is considered a side benefit of a very comprehensive approach to life itself. The word Ayurveda literally means the knowledge (veda) of life (ayus). It studies how to be fulfilled and reach full human potential now, rather than simply adding a few good years. While Westerners focus on connecting the mind and body for living life to the fullest, Ayurveda focuses on connecting the mind, body, and self.
